INFORMATION DISCLOSURE STATEMENT

Sir:

The following statement of relevance is submitted with the accompanying
Form PTO-1449.

Document Designation

Relevance

AA
U.S. 4,045,665

Relates to a light diffuser attachment particularly adapted
for use with a self contained fluorescent lamp fixture
having a fixture body cover which includes the
fluorescent tube and operative components therein and a
diffuser receiving flange or rim thereon.

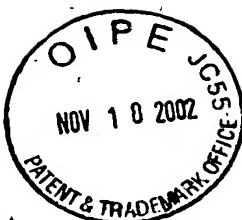

AB
U.S. 4,729,075

Relates to a luminaire of the direct lighting type
including a fluorescent lamp for emitting a torodial light
pattern to a reflector assembly having a plurality of flat
and contiguous facets spaced laterally from the lamp.

I hereby certify that this correspondence is being deposited
with the United States Postal Service as first class mail on

TC 2800 MAIL ROOM

BA
DE 6,909,910
Germany

Relates to a light cover installation.

BB
FR 2,267,518
France

Relates to a light with passage for outgoing air forming part of air conditioner.

BC
DE 3,318,264
Germany

Relates to a light with perforated reflector shaped as a double humped parabolic member.

BD
GB 2,215,447
Great Britain

Relates to a fluorescent light fitting adapted to be suspended below a ceiling so as to provide diffused illumination through a lower diffuser assembly which has a smoothly curved profile to avoid abrupt changes in the illumination level, and at the same time to reflect some of the light upwardly from the inner surface of the diffuser so that it passes through a transparent cover onto the ceiling.

BE
DE 8,911,576
Germany

Relates to a light with reflector.

BF
EP 0,442,246
Europe

Relates to an optical reflector for a light source having a portion of its reflecting surface behind the light source which exhibits a profile of two circle involutes disposed symmetrically on either side of a vertical axis and intersecting at a prefixed distance from the source.

BG
DE 1,974,4931
Germany

Relates to a light reflector/diffuser.

Copies of the cited references, as well as English language abstracts where available, are enclosed herewith.

It is respectfully requested that this art be considered by the Examiner in the above-identified application and made of record therein.

Applicant believes that no fee is due in connection with the filing of the present Information Disclosure Statement. Notwithstanding, the Commissioner is hereby authorized to charge any fees required in connection with this Information Disclosure Statement to Deposit Account No. 08-1540. A duplicate copy of this sheet is enclosed.

Respectfully submitted,

Kenneth F. Florek
